Lange Real Estate is excited to partner to offer a class on investment properties. If you've ever been interested in flipping a home or owning your own rental property, this is the perfect opportunity to learn from industry experts.

Our class will feature an agent specializing in rental properties and another agent specializing in flips. We'll even be highlighting the process of Lyndsey Mbawuiké's most recent Flip! In addition, we'll have a lender on hand to discuss financing options to plan your investment goals.

Don't miss out on this class for all your investment property questions. RSVP today to secure your spot.

We'll be providing snacks and refreshments to keep you fueled and focused. If you can't attend in person, we've got you covered with virtual options available.

Join us to learn about about the ins and outs of flipping homes and owning rental properties. Q&A with Lange Real Estate Agents and guest lender.
