Auctions Reimagined

Maximum Exposure

We understand that every property is unique, and one size doesn't fit all. That's why our dedicated marketing team crafts a customized marketing strategy that caters to your property's distinct features, generating buzz both locally and beyond.

Creating Urgency

The power of an auction lies in its ability to create a sense of urgency among buyers. With a carefully orchestrated auction strategy and a set end date, we stimulate interest and competition, prompting potential buyers to act swiftly.

Pre-Auction Sales

Our brokerage offers a subject-to-prior-sale option for sellers. By generating pre-auction interest and nurturing buyer engagement, auctions create the urgency and activity that just listing doesn't.

We offer cooperative compensation to real estate agents referring their buyers and sellers to Lange Real Estate.
